

VOTE - Voter Outreach Through Education  
Washington Secretary of State

**CURRICULUM GRADES K-4  
STUDENT HANDOUT, LESSON 3**

**THEME: MANY GOOD IDEAS, BUT ONLY ONE VOTE**

Now that we have identified a problem at school, your group will be coming up with the best solutions to the problem. You must vote on the best solution after you have some ideas for solving the problem. Your group will present your solution to the class. Be prepared to answer questions from other class members about your solution.

After all groups have presented their solutions to the class, we will vote to find the best solution.
